

International Conference InterCarto. InterGIS 29
"GI support for the sustainable development of regions in a crisis"
September 12–14, 2022, Ulan-Ude (Republic of Buryatia, Russia)
September 16–18, 2022, Ulan-Bator (Mongolia)

Information Letter

№ 1

Dear colleagues,

We would like to invite you to take part in the International Conference “InterCarto. InterGIS 29. GI support for the sustainable development of regions in a crisis”, which will take place in Ulan-Ude (Republic of Buryatia, Russia) on 12–14 September and in Ulan-Bator (Mongolia) on 16–18 September 2023.

Conference organisers:
International Cartographic Association
International Academy of Sciences of Eurasia
Lomonosov Moscow State University
Department of Earth Sciences of the RAS
Baikal Institute of Nature Management SB RAS
Buryat State University
Kartfond Research Center

The main sections of InterCarto. InterGIS 29:

- GIS support for sustainable development of regions in a crisis: theory, methods, management practice
- New methods and approaches in geoinformation modeling and data analysis
- Remote methods of Earth exploration
- Maps and GIS in socio-demographic research
- Maps and GIS in public health research
- GIS and public participation in environmental protection and risk management
- GIS support of cultural and natural heritage preservation projects
- GIS support for the study of climate change
- Ecological and sustainable tourism
- Urban ecology and planning
- Maps and GIS in education and enlightenment

Registration for the conference is open. You may find the registration form on the website <http://intercarto.msu.ru/>

Publications should be submitted at intercarto@yandex.ru

The author's guide and article templates are presented on the website: <http://intercarto.msu.ru/jour/submissions.php?lang=en>

The conference will be held jointly with the Assembly of the Association of Russian Human Geographers (ARHG or ARGO). Read the information letter on the ARGO Assembly on the website: <https://argorussia.ru/ru/node/761>

Within the framework of the joint conference, it is planned to hold a school-seminar for young scientists "GIS and cartographic support of socio-geographical research" and scientific excursions.

Submission deadline is **31.03.2023**, the discounted early submission deadline is **15.02.2023**. One author can send no more than two articles.

Registration fees in 2023 are divided in two payments: payment for publication (after the article is accepted for publication) and payment for full-time participation (if chosen). Fees for publication you can find below:

REGISTRATION CATEGORIES	Authors from countries of the former USSR		Authors from other countries
	Before 15.02.2023	After 15.02.2023	
Author	7 000 P	9 000 P	120 USD
Author (60+ years)	6 000 P	8 000 P	100 USD
Student, graduate student	5 000 P	7 000 P	80 USD

Information about the full-time participation, details for payment, registration of conference participants in Ulan-Ude and Ulan-Bator and the registration fees for full-time participants will be posted in the next information letters.

Sincerely,
InterCarto. InterGIS 29 Organising committee
