

International Conference InterCarto. InterGIS 32
“GIS support for the sustainable development of socio-natural systems”

Information letter № 1

Dear colleagues,

We would like to invite you to take part in the second part of the International Conference “InterCarto. InterGIS 32. GIS support of socio-natural systems”, which will take place on **October 5–11, 2026 in Kazan (Russia)**. The first part has already been held on November 27, 2025 jointly with the Chilingarov Course scientific and practical conference in the form of a teleconference with the Russian Antarctic Bellingshausen station.

Conference organizers:

Lomonosov Moscow State University
Kazan (Volga Region) Federal University
Russian Geographical Society
Association of Polar Explorers (ASPOL)
International Academy of Sciences of Eurasia
Department of Earth Sciences of the Russian Academy of Sciences
Kartfond Research Center

The main directions of the conference:

- GIS support for the sustainable development of socio-natural systems
- New methods and approaches in geoinformation modeling and data analysis
- Remote Earth exploration methods
- Maps and GIS in socio-economic research
- Maps and GIS in public health research
- Maps and GIS in agricultural and land use research
- GIS technologies in geological research
- Geographic information support for environmental protection and risk management
- GIS support for the protection of cultural and natural heritage
- GIS support for studying climate change
- Ecological tourism
- Maps and GIS in education and awareness-raising activities

Special attention is planned to be paid to the topic of **GIS support for the sustainable development of the Arctic and Antarctic territories**.

Conference Proceedings are indexed in the international Scopus database, included in the RSCI list and the updated Russian "White List". Rules for authors and templates for the design of articles:

<http://intercarto.msu.ru/jour/submissions.php?lang=en>

Registration for the conference is open. You can find the registration form on the website <http://intercarto.msu.ru/>

Publications should be submitted at intercarto@conf.msu.ru.

The author's guide and article templates are presented on the website: <http://intercarto.msu.ru/jour/submissions.php?lang=en>

Submission deadline is 31.03.2026; the discounted early submission deadline is **28.02.2026**. One author can send no more than two articles.

Registration fees in 2026 are divided in two payments: payment for publication (after the article is accepted for publication) and payment for full-time participation (if chosen). Fees for publication you can find below:

REGISTRATION CATEGORIES	Authors from countries of the former USSR		Authors from other countries
	Before 28.02.2026	After 28.02.2026	
Author	10 000 ₺	12 000 ₺	140 USD
Author (60+ years)	8 000 ₺	10 000 ₺	110 USD
Student, graduate student	7 000 ₺	9 000 ₺	90 USD

Information about bank details, registration of conference participants, and additional registration fees for full-time participants will be posted in the following information letters.

Sincerely,
InterCarto. InterGIS 32 Organising committee
